More than 500 Jordanians come to Christ at Michael Youssef's CHRIST OUR HOPE Event in Amman

The outdoor gathering also united local churches and denominational leaders from around the Middle Eastern country

CHRIST OUR HOPE - Amman, Jordan

ATLANTA, GA, UNITED STATES, September 9, 2026 /EINPresswire.com/ -- Dr. Michael A. Youssef presented the Gospel message in Amman, Jordan, on September 4, 2026, titled "Arms Wide Open"—speaking from Matthew chapter 19. Nearly 2,000 were in attendance in the Muslim dominated country.

"I've had the privilege of traveling around the world 78 times in the last 50 years and I've seen the problem of humanity is the same everywhere," stated Dr. Youssef. "We live in a time filled with deception, and there are consequences to each of the choices we make. We see in the Bible over and over again, it exalts us to make the right choice. Choose wisely."

In addition to those who made the profound decision to give their life to Christ that night, the Good News event also brought a new found unity to churches and denominational leaders in Jordan. The heads of the denominations were deeply encouraged by the event and the way Leading The Way brought the Church together around the Gospel.

One denominational leader expressed the uniqueness of the gathering by saying:

"Jordan has many churches and ministries, yet this was unique—and it was the best."

Another leader described the impact of CHRIST OUR HOPE in a powerful way:

“This event gave the church a fresh breath.”

Through Dr. Youssef’s vision and new season of ministry, the Lord opened the door in Amman. CHRIST OUR HOPE brought fresh encouragement, renewed vision and a sense of unity to the Church in Jordan. The outdoor gathering was broadcast LIVE on Leading The Way’s KINGDOM SAT Channel and streamed globally on Youtube, X, Facebook, LTW.org and more.
