

Peter DeSalvo Contracting, LLC, Earns CertainTeed ShingleMaster™ PREMIER Credential

The New Hampshire Roofing Firm Joins Small Percentage Of Contractors To Hold CertainTeed's Highest Company-Level Designation.

HUDSON, NH, UNITED STATES,
September 8, 2026 /EINPresswire.com/

-- [Peter DeSalvo Contracting, LLC](#), a [roofing contractor](#) based in Hudson, New Hampshire, has earned the CertainTeed ShingleMaster™ PREMIER credential, the highest company-level designation awarded by CertainTeed to roofing contractors. The CertainTeed ShingleMaster™ PREMIER designation is reserved for companies whose crews have cleared manufacturer-tested standards covering installation techniques, safety protocols and shingle technology. To qualify, a company must also carry active liability insurance, hold proper state licensing in every market it serves and demonstrate a documented record of ethical business conduct.

A small percentage of roofing contractors nationwide hold PREMIER status. Peter DeSalvo Contracting, LLC, can now offer homeowners and commercial clients the SureStart™ PLUS 5-STAR Warranty, an extended, non-prorated manufacturer's warranty that contractors without PREMIER standing cannot provide. Standard roofing contractors are not eligible to offer SureStart™ PLUS coverage, making the credential a meaningful distinction for property owners looking for long-term protection.

"Earning this credential reflects the standard our crews hold themselves to every day on every roof," said Peter DeSalvo, owner of Peter DeSalvo Contracting, LLC. "Our customers in New Hampshire and Massachusetts deserve the strongest warranty coverage available, and Premier status means we can deliver exactly that."
