Champ's Pet Kitchen Launches Full Line of High-Protein Dog Treats on Chewy

All functional treat recipes are now available on the leading online retailer and trusted destination for pet parents

Champ's Pet Kitchen's dog treats come in five protein-first recipes, including beef, pork, chicken, grain-free chicken, and grain-free salmon.

DANVILLE, CA, UNITED STATES, September 9, 2026 /EINPresswire.com/ -- Champ's Pet Kitchen today announced that its full lineup of high-protein dog treats with functional ingredients is now available on Chewy.com, adding a new way for pet parents nationwide to discover and purchase the brand. Chewy expands Champ's reach online, and complements its growing presence in grocery and brick-and-mortar retailers.

Chewy customers can now purchase all Champ's Pet Kitchen recipes, including:

- Sliders with Beef, with gut health support
- Savory Patties with Chicken, with bone and joint support
- Smoky Bites with Pork, with immune support
- Grain-Free Savory Patties with Chicken, with heart health support
- Grain-Free Smokehouse Cakes with Salmon, with skin and coat support

> Chewy has built an incredible platform for discovering products that support the health and happiness of pets, and we're excited to bring our line of high-protein, functional treats to its customers."
>
> *Mike Wickman, founder and president of Champ's Pet Kitchen*

"Since launching a year ago, our goal has been to make better-for-you dog treats more accessible to everyday pet parents," said Mike Wickman, founder and president of Champ's Pet Kitchen. "Chewy has built an incredible platform for discovering products that support the health and happiness of pets, and we're excited to bring our full lineup of high-protein, functional treats to its customers. For pet parents who prefer to shop online, this partnership gives even more

families an easy way to discover Champ's recipes made with real ingredients and targeted wellness benefits."

Pet owners can now find Champ's Pet Kitchen soft chew dog treats on Chewy.com.

Made in the USA with real animal protein, Champ's Pet Kitchen soft chew dog treats contain a minimum of 26% protein and less than 3% fat, with no corn, wheat, soy, or meat by-products. Each recipe is formulated with targeted functional ingredients to support specific areas of canine wellness, such as gut, bone and joint, immune, heart, and skin and coat health.

Champ's Pet Kitchen dog treats are sold in more than 1,200 grocery stores nationwide, including Safeway, Save Mart, Lucky, Raley's, Ingles Markets, Lowes Foods, Longs Drugs, Times Market, Tamura Market, Don Quijote, Don Don Donki, Holiday Market, Sav Mor, and other regional grocery retailers across the United States and Hawai□i. Champ's treats are available online through Amazon and at champspetkitchen.com. To shop Champ's Pet Kitchen on Chewy, visit Chewy.com.

About Champ's Pet Kitchen

Champ's Pet Kitchen is a California-based dog treat company on a mission to bring real transparency to the pet treat aisle. Launched in 2025, it was one of the first brands in the category to feature a human-style Pet Nutrition Facts panel on every product, giving pet parents the same clarity they expect from their own food labels. In under a year, Champ's Pet Kitchen has scaled to more than 1,200 stores nationwide. Learn more at www.champspetkitchen.com.
