

SAYELA Introduces Three-Single Catalog Across Global Streaming Platforms

The emerging artist opens a new catalog with "Say My Name Slow," "My Rhythm Knows Your Name" and "No Language."

GREENSBORO, NC, UNITED STATES, September 9, 2026 /EINPresswire.com/ -- SAYELA has introduced a three-single catalog on global streaming platforms, establishing an opening chapter centered on contemporary vocal storytelling and cross-cultural pop presentation.

SAYELA introduces a three-single catalog led by "Say My Name Slow."

The current catalog includes "Say My Name Slow," "My Rhythm Knows Your Name" and "No Language." Together, the three releases present a connected creative direction while giving each song a distinct emotional setting.

"Say My Name Slow" leads the catalog with an intimate, unhurried approach. The song's title and visual identity place attention on recognition, closeness and the meaning carried by a name. "My Rhythm Knows Your Name" extends that theme through movement and musical connection, while "No Language" explores communication beyond spoken words.

“

This opening catalog was shaped around connection: the way a name, a rhythm or a feeling can communicate before a full story is told.”

Maurice Kamgaing, Project Representative

The releases are available through SAYELA's artist profile on Spotify and are intended for listeners discovering new independent voices in contemporary pop and global music. The catalog format allows each single to stand independently while also functioning as part of a broader

introduction to the artist.

“This opening catalog was shaped around connection: the way a name, a rhythm or a feeling can communicate before a full story is told,” said Maurice Kamgaing, project representative. “Each release offers a different entry point into SAYELA's world.”

The campaign supporting the catalog uses a coordinated set of editorial images and platform links designed to provide journalists, playlist editors and audiences with a consistent introduction. The visual direction combines midnight blue, warm amber and restrained performance imagery, reinforcing the catalog's focus on voice and atmosphere.

SAYELA's rollout also reflects the international nature of digital music discovery. Streaming access allows an independent release to reach audiences across the United States, France, Cameroon and other music markets without changing the core identity of the work. The initial campaign therefore emphasizes clear artist attribution, direct listening access and visuals suited to media coverage.

The three releases can be explored through the [SAYELA artist profile](https://open.spotify.com/artist/3fnsBYJq7gbcXeLla2VHzv) at <https://open.spotify.com/artist/3fnsBYJq7gbcXeLla2VHzv>. Additional campaign updates will be shared through the artist's official streaming presence.

About SAYELA

SAYELA is an independent recording artist presenting contemporary songs built around voice, atmosphere and emotional storytelling. The current catalog includes "Say My Name Slow," "My Rhythm Knows Your Name" and "No Language," available through global streaming platforms.
