2026 Featured Season 2 Winners
Among this season's winners are Camel (China) Outdoor Products Co., Ltd, SANYI JEWELRY, SATCHI CLUB by Shanghai SATCHI Apparel Co., Ltd., BAGTREE, alongside winning individuals including LIANG-YIN LIN, Solvita Melne, Soojung Ham, Sabahat Javed, PAULO DUARTE GOMES DE SENNA FERNANDES, and many more.

The complete results reflect different areas of the fashion industry, from creative direction and craftsmanship to product development and brand expression.

“Meaningful fashion recognition must extend beyond immediate visual appeal. It should distinguish work with a clear identity, purposeful execution and the technical discipline required to bring an original vision to life,” said Thomas Brandt, spokesperson of IAA. “The 2026 Season 2 winners have earned their place within an international competition, and the French Fashion Awards is proud to recognise the quality and conviction behind their achievements.”

2027 French Fashion Awards Call for Entries

Entries were evaluated through a blind evaluation process using criteria relevant to creativity, aesthetics, craftsmanship, functionality and overall impact. Platinum, Gold and Silver distinctions were determined by the scores attained by each submission.

The complete list of 2026 Season 2 fashion award winners and their awarded work is available at https://frenchfashionawards.com/winner.php.

“The entries recognised this year reflects a generation of designers who understand both discipline and distinction,” said Thomas Brandt, spokesperson of the International Awards Associate (IAA). “Across categories, we saw clarity of concept, control of materials and a commitment to construction that signals long-term relevance. These are not momentary successes — they represent designers building sustainable creative foundations.”

Entries Open for the 2027 French Fashion Awards
Following the announcement of the Season 2 results, the French Fashion Awards is now accepting submissions for its 2027 competition.

The 2027 programme expands beyond fashion design to recognise the wider fashion ecosystem, including fashion and luxury products, branding and communication, retail experiences, technological innovation, industry achievement and emerging talent.
