

Trusted Pool & Spa Named Pool Builder of the Year in Lakewood Ranch

Consumer Ratings Institute names Trusted Pool & Spa Pool Builder of the Year for Lakewood Ranch, recognizing craftsmanship and customer satisfaction.

LAKEWOOD RANCH, FL, UNITED STATES, September 10, 2026 /EINPresswire.com/ -- [Trusted Pool & Spa](#), a full-service pool design, construction, and service company, has been named Pool Builder of the Year for Lakewood Ranch by the Consumer Ratings Institute, recognizing the company's commitment to quality craftsmanship, customer satisfaction, and long-term client relationships.

Founded in 2010, Trusted Pool & Spa has grown from a service-focused business into one of Southwest Florida's leading full-service pool companies, serving homeowners throughout Manatee, Sarasota, Hillsborough, and Pinellas counties. Today, the company provides custom pool design and construction, remodeling, repairs, weekly maintenance, warranty support, and outdoor living solutions, offering homeowners a single trusted resource throughout every stage of pool ownership.

Unlike many builders whose involvement ends when construction is complete, Trusted Pool & Spa has built its reputation around its philosophy of being a "Pool Partner for Life." By offering construction, service, repairs, remodeling, and warranty support under one roof, the company remains a trusted partner long after the first swim.

Each project is managed by a dedicated construction supervisor, providing homeowners with a consistent point of contact throughout the building process. Combined with an emphasis on communication and customer care, this relationship-focused approach has become one of the company's defining characteristics and a key contributor to its continued growth.

Trusted Pool & Spa maintains a 4.8-star rating across 331 verified homeowner reviews, reflecting consistently high marks for craftsmanship, professionalism, communication, and overall customer experience. The company has also earned recognition as a three-time Best of Florida award recipient, further demonstrating its commitment to quality and service excellence.

Fully licensed and insured, Trusted Pool & Spa manages residential and commercial permitting and maintains memberships in the Florida Swimming Pool Association and the Association of Pool & Spa Professionals. In addition to custom pool construction, the company offers pool

remodeling, resurfacing, equipment repair, leak detection, screen enclosures, outdoor living features, and ongoing weekly pool maintenance.

The Pool Builder of the Year award is presented annually by the Consumer Ratings Institute, an independent organization that recognizes businesses demonstrating exceptional customer satisfaction, consistently positive consumer feedback, and a proven commitment to service excellence.

As Trusted Pool & Spa continues to expand throughout Southwest Florida, the company's mission remains focused on delivering exceptional craftsmanship, providing industry-leading customer service, and building lasting relationships with every homeowner it serves.
