OVC Lawyer Marketing Named to Inc. 5000 Fastest-Growing Companies

LISLE, IL, UNITED STATES, September 10, 2026 /EINPresswire.com/ -- OVC Lawyer Marketing is proud to share that it has been placed on the Inc. 5000, an annual list that recognizes the fastest-growing private companies in the country. OVC placed N° 3864 out of 5000 companies nationwide, highlighting the firm's continued growth and its commitment to staying ahead of the curve in digital marketing. OVC Lawyer Marketing was ranked at N°173 for companies in Illinois, and N°161 in Chicago, while placing at N°334 among advertising, marketing, and PR companies.

OVC Lawyer Marketing Named to Inc. 5000's 2026 List for Fastest Growing Companies

Companies on the Inc. 5000 list are ranked according to revenue growth over a three-year period, and each ranking is subject to editorial review and vetted by Inc.'s research department. In 2025 alone, OVC launched 77 new websites for clients across the country, and the company continues to look for new ways to innovate and help law firms stand out from the competition. Since 2008, OVC has made a name for itself as a forward-thinking marketing agency, refusing to stay complacent in a changing industry. As we continue to grow and expand our reach, this award highlights our dedication to looking ahead and constantly improving.

OVC creates websites for law firms of every size, from solo practitioners to firms with a nationwide presence. The team pays close attention to each client's messaging and branding, developing a customized design suited to the specific goals of each project. Every website is built with professionally written and edited content, giving firms a foundation that speaks directly to the clients they want to reach.

Beyond website design and development, OVC provides comprehensive digital marketing services designed specifically for law firms, including content strategy, on-site and off-site SEO, Google Ads, and Google Local Services Ads. By combining these services with responsive,

personalized customer support, OVC helps law firms strengthen their online presence and attract potential clients. Recently, the team at OVC has integrated generative engine optimization (GEO) into its content strategy, helping clients get discovered in AI search results.

This integrated approach has generated strong results for law firms across the country, including increased website traffic and online visibility. The company's work has also earned industry recognition, including the Stevie Awards, Netty Award, Web Excellence Award, among others.

"Being named to the 2026 Inc. 5000 is an incredible milestone for OVC and a reflection of the hard work and commitment of our entire team," said Greg Wildman, CEO of OVC Lawyer Marketing. "When we founded OVC in 2008, our goal was simple: provide law firms with better digital marketing strategies, exceptional service, and measurable results. Earning a place among the fastest-growing private companies in America shows how far we've come, but we're even more excited about where we're headed. I'm extremely proud of our team and grateful to the clients who have trusted OVC to help grow their firms."
