

TerraNova Advises BioGreen360 on Equipment Financing

Financing supports scalable deployment of BioGreen360's proprietary food waste recycling systems.

NEW YORK, NY, UNITED STATES, September 10, 2026 /EINPresswire.com/ -- [TerraNova Capital Partners](#) announced the closing of a strategic equipment financing transaction for [BioGreen360](#) with Kineo Finance.

The financing provides BioGreen360 with long-term capital to support the deployment of its proprietary food waste recycling systems. Structured around the company's operating model and capital needs, the transaction establishes a scalable financing solution designed to support BioGreen360's continued expansion.

"We appreciate the opportunity to work alongside the BioGreen360 and Kineo Finance teams to bring this transaction to a successful close," said John Burns, Managing Director and Head of Asset-Based Lending at TerraNova Capital Partners. "This financing provides BioGreen360 with a capital-efficient structure to accelerate the deployment of its systems while preserving capital for continued growth."

TerraNova Capital Partners served as BioGreen360's exclusive financial advisor in connection with the transaction.

About TerraNova Structured Finance:

TerraNova's Structured Finance Group focuses on debt financing and capital structure advice for middle market companies requiring refinancing, growth capital, lines of credit and structured and flexible debt facilities. The bankers in the Structured Finance Group have decades of experience in financing middle market transactions, providing debt structures that meet the needs and pricing requirements of their clients in a timely manner. TerraNova is a member firm of FINRA/SIPC. For further information, please visit our website: www.terracap.com.
