

Brightmont Academy Continues National Growth with New Campus in Cary, North Carolina

One-to-One Private School Now Serves Students at 28 Locations Nationwide: Cary, NC Grand Opening Set for September 17, 2026

CARY, NC, UNITED STATES, September 9, 2026 /EINPresswire.com/ -- [Brightmont Academy](#)'s newest campus, its second in North Carolina, is now open and enrolling students in Cary, expanding the school's fully customized, one-to-one learning model in Wake County. The [Cary campus](#) welcomes its first students on September 14th, and the community is invited to celebrate with a grand opening event on September 17th from 10 a.m. to 4 p.m. ET.

As a fully accredited private school, we ensure that every student works one-on-one with an experienced teacher in every session, allowing lessons to move at exactly the pace and depth the student needs. Families can choose from full-time or part-time programs for grades 1-12, individual courses for credit recovery or acceleration, skill building, tutoring, or test prep, all delivered through the same one-to-one model. That flexibility fits a wide range of learners, including gifted and twice-exceptional (2E) students seeking greater challenge, students navigating learning differences, anxiety, or ADHD, and student-athletes and performers who need a schedule that flexes around training, competitions, or performances. Enrollment is open year-round, and students set their own schedules to match.

"Every student learns differently, and our model is built around that from day one," said Aisha

"We're already welcoming our first Cary students on September 14th, and I can't wait to open our doors to the wider community at our grand opening a few days later," said Alli Mapes, Campus Director of the Cary campus. "Our team spends real time learning how each student learns best, then builds their program around that.
