

Elite Roofing & Construction Earns Owens Corning Platinum Preferred Contractor Status

Recognized for Quality, Reliability and Customer Service, The Local Roofing Company Achieves Owens Corning's Highest Contractor Certification.

HILLSBORO, OH, UNITED STATES,
September 9, 2026 /EINPresswire.com/

-- [Elite Roofing & Construction](#), a Hillsboro-based [roofing contractor](#) serving Southern Ohio, has achieved

Owens Corning Platinum Preferred contractor status, the manufacturer's top-tier certification. Owens Corning does not accept standard applications for Platinum Preferred status, so contractors must be handpicked and invited directly by the manufacturer based on verified performance. This exclusive process places those who earn the designation among a small percentage of roofing contractors nationwide.

"Earning Platinum Preferred status reflects the standard our crew holds itself to every day, and it means our customers now have access to the strongest warranty protection Owens Corning offers," said Brandon Troyer, owner of Elite Roofing & Construction.

The most immediate benefit for customers is access to the Platinum Protection Limited Warranty, which only Owens Corning Platinum Preferred contractors are authorized to offer. The warranty provides up to 50 years of materials coverage and full lifetime workmanship coverage, with the protection backed directly by Owens Corning rather than solely by the installing contractor.

To maintain this status, Elite Roofing & Construction must meet strict installation standards. Crews undergo continuous, specialized training to meet Owens Corning's factory installation requirements, ensuring roofing systems are installed to satisfy the manufacturer's standards for both performance and warranty eligibility.

About: Elite Roofing & Construction is a locally owned roofing contractor based in Hillsboro, Ohio, serving communities across Southern Ohio since 2016. The company provides residential and commercial roof repairs, replacements and installations, as well as gutters, siding and other
