RENO, NV, UNITED STATES, September 10, 2026 /EINPresswire.com/ -- Private Eyes Screening Group (<https://www.privateeyesbackgroundchecks.com/>), a global background screening company, today announced that [All Service Moving](#) selected the company to provide background checks, drug testing, physical examinations, and other screening services beginning in January 2026.

Therese, a Senior HR Recruiter at All Service Moving, described the partnership's impact on the company's hiring process:

"I wanted to take a moment to express my sincere appreciation to the Private Eyes team, especially Bree and Jamie, for the outstanding support they consistently provide.

Over the years, I've had the opportunity to work with many remote teams, and I can honestly say that this has been one of the most responsive and efficient teams I've worked with. Their professionalism, attention to detail, and commitment to providing timely assistance have made a significant difference in our hiring process.

What I appreciate most is their exceptional communication. Whether they have an immediate answer or need time to research a request, they always acknowledge our emails promptly and keep us informed. That level of communication is invaluable and makes collaboration seamless.

I also find their responsiveness remarkable. Regardless of when I send an email, I can almost always count on receiving a timely response. Their support feels personalized, and it's evident that they are genuinely invested in helping us succeed.

Partnering with Private Eyes, made possible through Dolly's dedication and unwavering persistence, has significantly streamlined our pre-employment process- thanks, Dolly! As a result, our hiring workflow has become more efficient, creating a smoother and more positive experience for both our HR team and our candidates.

My sincere thanks to Bree, Jamie, and the entire Private Eyes team. Your partnership, dedication,

and outstanding customer service are truly appreciated.”

-Therese, Senior HR Recruiter
