Daniel Lublin, Founding Partner

This distinction is awarded through Best Lawyers' Purely Peer Review® process, a confidential survey in which currently recognized lawyers evaluate the professional abilities of their colleagues in the same geographic region and practice area. Now in its fifth decade, it remains one of the most respected peer-review methodologies in the legal profession.

David A. Whitten and Daniel Lublin, the firm's founding partners, have each been recognized by Best Lawyers since 2021 and 2022, respectively underscoring their sustained

standing among Canada's top employment law practitioners. Daniel Chodos, a senior partner at the firm, has been recognized since 2024, reflecting his continued growth and recognition within the profession.

"This kind of peer recognition means a great deal, it's a reflection of the standard we hold ourselves to in every case we take on." said David A. Whitten, Founding Partner.

"After nearly two decades as an employment lawyer, this recognition is a reminder of why we do this work: to make a real difference for our clients, and to build positive working relationships with our peers" said Daniel Chodos, Senior Partner.
