

AmeriPro Auto Glass Receives 2026 Consumer Choice Award for Trusted Auto Glass Service in Jacksonville

JACKSONVILLE, FL, UNITED STATES,
September 10, 2026 /

EINPresswire.com/ -- Consumer Choice Award is proud to announce that AmeriPro Auto Glass has been named the 2026 Consumer Choice Award winner in the Automobile Windshield Repair category for Jacksonville. The recognition celebrates a locally owned and operated company that has built its reputation on making auto glass repair and replacement convenient, reliable, and straightforward for Florida drivers.

Jacksonville holds a special place in the AmeriPro story. The company got its start in the city, which remains home to its corporate office and a full-service location offering both mobile and in-shop auto glass services. From its Jacksonville roots, AmeriPro has expanded its presence across Florida while maintaining its focus on local service and experienced care.

"Receiving the Consumer Choice Award in Jacksonville is especially meaningful because this is where AmeriPro began," said the AmeriPro Auto Glass team. "Our customers trust us with an important part of their vehicle's safety, and we take that responsibility seriously. We want every experience to be quick, convenient, and professional, whether we're coming to a customer's location or welcoming them into our shop."

AmeriPro provides complete auto glass services for cars and trucks of all makes and models, including windshield repair and replacement as well as door, quarter, and back glass services. Its mobile technicians serve Jacksonville and communities throughout Duval, Nassau, Clay, Baker, Putnam, and St. Johns counties, allowing customers to have many repairs and replacements completed at a location convenient for them. AmeriPro's growing Florida service network also extends into Gainesville and Alachua County, Ocala and Leesburg, Orlando, and Lakeland and

Winter Haven, bringing its auto glass expertise to drivers across a wider portion of the state.

For newer vehicles equipped with Advanced Driver Assistance Systems, AmeriPro also performs ADAS calibration and recalibration at its Jacksonville shop. By maintaining the required calibration equipment in-house, the team can complete eligible windshield replacement and calibration work in one appointment, helping ensure vehicle safety systems that rely on windshield-mounted

cameras and sensors are properly recalibrated following replacement.

Convenience also extends to the insurance process. AmeriPro works directly with insurance companies and assists customers with the necessary claim paperwork, reducing another source of stress when unexpected windshield damage occurs. Customers are supported by certified technicians using high-quality materials, with seals and workmanship covered by the company's limited nationwide lifetime warranty.

With a management team bringing more than 90 years of collective experience in the auto glass industry, AmeriPro combines established expertise with the accessibility of a locally owned Florida company. Receiving the Consumer Choice Award in Jacksonville recognizes the customer confidence the company has built in the community where its story began.
