Alicia Moreno to Appear on Impact Makers TV

FL, UNITED STATES, September 10, 2026 /EINPresswire.com/ -- Alicia Moreno, Co-Founder and Executive Director of RISE Collective, is set to appear on Impact Makers TV, where she will share insights on bodily autonomy, abortion care, and gender-affirming care.

Impact Makers is a documentary-style TV series built around individual stories that have impacted lives. It follows the people who are actively building, not just talking about ideas, but putting them into practice in business, technology, education, health, and community development. Each episode focuses on what was built, why it matters, and how it actually works in the real world. Not as theory, but as lived experience.
