

Rite Way Heating, Cooling & Plumbing Acquires Arizona Comfort Systems to Deepen Sierra Vista Roots

Homeowners in Sierra Vista and Cochise County Who Relied on Arizona Comfort Systems Can Now Count on the Same Trusted Service Under the Rite Way Name

SIERRA VISTA, AZ, UNITED STATES, September 10, 2026 /EINPresswire.com/ -- Rite Way Heating, Cooling & Plumbing, the largest heating, air conditioning, and plumbing company headquartered in Southern Arizona, has acquired Arizona Comfort Systems, a longtime Sierra Vista based HVAC provider serving Cochise County and surrounding communities. The acquisition brings Arizona Comfort Systems fully under the Rite Way brand, consolidating local service under one trusted name that has been part of Southern Arizona since 1959.

Arizona Comfort Systems built a strong reputation serving homeowners and businesses throughout Sierra Vista, Benson, Bisbee, Douglas, and the broader Cochise County region. That trusted history now continues under the Rite Way name. Customers who previously relied on Arizona Comfort Systems for heating, cooling, and related services can expect the same commitment to quality and community care, backed by the resources and expertise that have made Rite Way the go-to choice across Southern Arizona for decades.

"The reason we decided to partner with Rite Way is that they're more people-oriented than anyone I've worked with in the past. They really focus on their customers and their employees, and they have a great reputation," said Jim Ruby, Owner of Arizona Comfort Systems. "I think it's going to mean a lot for our employees because Rite Way offers more benefits and has a plan for everyone to grow, learn and develop. They offer a vocation, not just a job."
