Irwin & Irwin Attorney Jackie Uberin Earns Certified Family Law Specialist Designation

Fullerton family law attorney Jaquelina "Jackie" Uberin has been certified by the State Bar of California Board of Legal Specialization in family law.

FULLERTON, CA, UNITED STATES, September 10, 2026 / EINPresswire.com/ -- Irwin & Irwin announced that attorney Jaquelina "Jackie" Uberin has become a Certified Family Law Specialist, State Bar of California Board of Legal Specialization.

State Bar of California Board of Legal Specialization

The certification marks a significant professional milestone for Uberin, whose legal practice is focused on California family law matters, including divorce, child custody and visitation, parentage, and domestic violence restraining orders.

Certification by the State Bar of California Board of Legal Specialization requires attorneys to satisfy experience and education requirements, pass a written examination, demonstrate substantial involvement in the field, and receive favorable evaluations from attorneys and judges familiar with their work.

"Jackie has put a tremendous amount of work into her family law practice and into continuing to develop as an attorney," said Mark Irwin, founding attorney of Irwin & Irwin. "This certification is an accomplishment she earned through years of study, preparation, and commitment to the families she represents. We are very proud of her."

Uberin graduated cum laude from Western State College of Law, where she earned a Family Law Practice Certificate. During law school, she served as President of the Family Law Association and

participated on the Honors Moot Court Team.

Her professional development has continued through advanced family law training. Uberin completed the National Family Law Trial Institute program and coursework addressing subjects including child custody and business valuation.

The certification follows another recent recognition for Uberin. She was selected to the 2027 Southern California Rising Stars list for family law.

While the recognitions are issued through separate organizations and selection processes, both represent notable milestones in Uberin's family law career.
