"Through her legacy of love for the craft and compassion for people, she's created a studio that delivers art that genuinely transforms lives. That's a standard of care we're proud to be associated with."

Arch Nemesis is the creative home of Nikole Knebel. The studio offers a full-service aesthetic experience: custom tattooing, refined piercing, cosmetic and paramedical tattooing, microblading, tooth gems, and select aesthetic services, all executed with the same uncompromising standard of precision and care. Her paramedical work (scar camouflage, areola restoration, skin tone correction) restores confidence and tells stories of resilience. As a mentor, she brings the same commitment to

continuous growth and precision to every apprentice she trains.

A College Alternative in St. Louis

Ink Different's Tattoo Apprenticeship is designed as a structured college alternative for talented artists aspiring to become professional Tattoo Artists. Instead of taking on student debt for a four-year degree, apprentices learn the trade of tattooing with Ink Different and studios like Arch Nemesis, receiving hands-on experience, one-on-one mentorship, and professional development over 18–24 months.

Tattooing is an AI-proof career, driven by human creativity, craftsmanship, and personal connection. With professional Tattoo Artists earning a median income of around $106,000 per year, the apprenticeship offers a practical pathway from passion to profession.

Graduates complete the program industry-ready, with a guaranteed job offer upon successful completion and the skills needed to thrive in today's competitive tattoo industry.
