“For more than 20 years, clients have trusted us with deadline-sensitive projects that require professional quality and personal support,” said the ExpCopyPrint.com leadership team. “Design • Print • Deliver makes the entire process easier—from the first idea to final delivery.”

One Partner from Design to Delivery

ExpCopyPrint.com helps customers complete projects without coordinating separate designers, printers, finishing providers and shipping companies.

Services include:

Graphic design and file preparation
Color and black-and-white printing
Booklet, report and presentation printing
Spiral, wire, perfect, Velo/Sure, tape and saddle-stitch binding
Document, OCR and large-format scanning
Posters, banners, foam boards and event displays
Domestic, international and multi-location delivery

Same-day and expedited production may be available depending on project requirements, production capacity and delivery destination.

Professional Printing for Specialized Industries

Law firms and legal departments: Litigation copying, deposition binders, trial exhibits, Bates numbering, document scanning, courtroom graphics and secure document handling.

Businesses and corporate offices: Presentations, pitch decks, reports, training manuals, brochures, flyers and branded marketing materials.

Professional legal and corporate printing solutions

ExpCopyPrint.com delivers professional design, printing and worldwide delivery for businesses, schools and major events.

Colleges and universities: Booklets, posters, banners, admissions materials, orientation packages and academic conference materials.

Restaurants and hospitality businesses: Menus, table tents, loyalty cards, promotional materials, packaging and in-store signage.

Conferences and events: Credentials, badges, tickets, programs, banners, foam boards, step-and-repeat backdrops and large-format displays.

Nationwide Production Support and Worldwide Delivery

ExpCopyPrint.com coordinates delivery to offices, courts, campuses, restaurants, hotels, conference venues and other destinations. Multi-carrier shipping gives customers flexible options for urgent projects, international orders and distribution to multiple locations.

By combining design, printing, finishing and delivery, ExpCopyPrint.com helps customers reduce coordination time, maintain consistent quality and meet demanding deadlines.

Powered by PayToMe.co

ExpCopyPrint.com's digital ordering and commerce capabilities are powered by PayToMe.co, an AI-native commerce infrastructure platform built on AWS and integrated with technologies from Stripe and Plaid. PayToMe.co also participates in IBM Partner Plus, NVIDIA Inception and Startupbootcamp.
