

True North K-12 Announces the Addition of Amanda C. Tucker as Director of Education & Workforce Development

True North's education arm welcomes a new Director of Education & Workforce Development for Elevate Managed Services.

SPARTANBURG, SC, UNITED STATES, September 25, 2026 /EINPresswire.com/ -- Amanda C. Tucker

“

For me, the most rewarding work has always been meaningful work. I have the opportunity to do that alongside people who are purposeful about making a positive impact in the communities we serve.”

Amanda C. Tucker

brings more than 20 years of financial leadership experience, including 13 years in the education sector. Most recently, she served as Executive Director of Finance for the Charter Institute at Erskine, where she directed the strategic allocation of more than \$200 million in annual funding across 28 diverse charter schools, launched a statewide financial health dashboard, and delivered finance training for charter school teams across South Carolina.

At the Institute she supported both established schools and new charter applicants entering South Carolina's

regulatory landscape. Her background also includes nine years leading nonprofit accounting operations at Hammond School in Columbia, corporate accounting management across the LTC Hospitality Group's restaurant brands, and First Citizens Bank.

IN HER NEW ROLE:

*Academic Program Design: leading curriculum frameworks, dual enrollment pathways, and career-aligned programming with real-world internship experience.

*School Start-Up Strategy: owning launch planning and readiness for newly approved schools.

*Partnerships: building relationships with higher education institutions, employers, authorizers, and community partners to drive workforce pipelines.

*Financial & Operational Planning: leading budgeting and sustainability strategy for academic programs.

*Compliance & Quality: ensuring programs meet state, accreditation, and regulatory standards, with clear metrics for student outcomes.

Please join [True North K-12](#) in welcoming Amanda Tucker. Her unique blend of educational, nonprofit, and corporate finance experience positions her to play a key role in the continued growth of the company's education services across South Carolina.

"People here genuinely care about building a better tomorrow and creating something that lasts long after our work is done. I am humbled to help grow that impact," says Tucker. Outside of work, Amanda enjoys spending time outdoors with her family and, most importantly, being a proud mother to her three children.
