Utah's Fastest-Growing Companies Step Into the Spotlight: 2026 MWCN Utah 100 Preview List Unveiled

MountainWest Capital Network celebrates the 32nd year of Utah 100, revealing the state's fastest growing companies live at the November 13 awards event.

SALT LAKE CITY, UT, UNITED STATES, September 11, 2026 /EINPresswire.com/ -- Utah's business community has plenty to celebrate. MountainWest Capital Network (MWCN) today unveiled the 2026 Utah 100 preview list, spotlighting the state's fastest growing companies in alphabetical order, alongside standout honorees in the Top 15 Revenue and Emerging Elite categories.

Mark the calendar. MWCN will reveal the final rankings live at the Utah 100 Awards ceremony on Friday, November 13, 2026, in the Grand Ballroom of the Grand America Hotel. This is MWCN's biggest event of the year, and it always fills up, so anyone planning to be in the room should register on the MWCN website now.

“Every name on this list represents a Utah company that pushed harder, moved faster, and built something worth talking about,” said Jennifer Christopulos, Executive Vice President and Director of Zions Bank UT Corporate Banking Group, chair of the MWCN Utah 100 committee. “This list is proof that Utah’s economy is firing on all cylinders, and we can’t wait to celebrate every one of these companies on November 13.”

Founded in 1994, the Utah 100 Award is kicking off its 32nd year honoring the growth and success of businesses across the state. As MWCN's flagship event, the Utah 100 Awards ceremony pulls in thousands of Utah's top industry leaders for an afternoon built around recognition, connection, and momentum. This year's keynote comes from Ben Kjar, Speaker, Actor, Entrepreneur and Wrestler, whose path from a rare childhood diagnosis to NCAA All-American and Greco-Roman World Champion mirrors the same drive that built every company on this year's list.

Here's how the list comes together. Utah 100 honorees are ranked using a weighted average revenue calculation of percentage and dollar growth over a five year period through December 2025. The Top 15 Revenue category ranks companies by the highest total dollar growth over that same five year window, and the Emerging Elite spotlights organizations generally less than five years old showing the strongest signs of what's next. Every company lands in just one category, and each one earned its spot.
