Land Run Links Launches New On Site and Online Golf Pro Shop for OKC Golfers

MOORE, OK, UNITED STATES, September 11, 2026 / EINPresswire.com/ -- Land Run Links expands its Moore indoor golf experience with a new pro shop offering golf clubs, polos, hats, gloves, accessories and more, available both on site and online.

Land Run Links is giving Oklahoma City area golfers another reason to visit with the launch of its new on site and online golf pro shop. Located inside the indoor golf facility in Moore, the pro shop brings together golf equipment, apparel, and accessories for players looking to upgrade their game or their golf wardrobe. Golfers can also shop the growing selection online through the new Land Run Links Pro Shop.

Shop at Land Run Links

The expansion builds on Land Run Links' goal of becoming a complete destination for golf in OKC, combining year round indoor play, advanced golf simulators, professional instruction, memberships, and now a convenient retail experience.

> We wanted to make it easier for OKC golfers to find quality gear, whether they're practicing at Land Run Links or shopping from home."
>
> *Owner Thurman Lynch*

The new shop carries a broad selection that includes golf clubs, drivers, wedges, putters, golf balls, gloves, hats, polos, hoodies, head covers, bags, and other accessories. Current inventory includes equipment and apparel from recognizable golf brands such as TaylorMade, Cobra, Mizuno, Callaway, Vokey, Vice Golf, FootJoy, Bad Birdie, and others.

More Than an Indoor Golf Facility

Land Run Links has continued to expand the experience available to golfers throughout Moore and the Oklahoma City metro. The addition of the pro shop means players can now practice their game, play multiple courses through advanced golf simulation, work on their performance and shop for golf equipment and apparel in the same location.

For golfers who already know what they need, the online store provides an easy way to browse the Land Run Links selection without visiting the facility. The online shop includes everything from performance golf equipment to distinctive hats, polos, and golf accessories, with inventory continuing to change as new products arrive.

The new retail offering also gives customers an opportunity to discover products that go beyond traditional golf shop basics. Alongside clubs and equipment, golfers can find modern apparel, Oklahoma inspired merchandise, specialty head covers, and accessories that bring more personality to the game.

Golf Clubs, Apparel, Accessories and More

For players focused on equipment, Land Run Links offers a growing selection of clubs ranging from drivers and wedges to irons and putters. Current offerings include equipment from brands such as TaylorMade, Cobra, Callaway, Mizuno, Vokey and Vice Golf.

Golfers looking for apparel and accessories can shop polos, hats, gloves, outerwear, golf balls, bags, head covers, and other course essentials. The variety allows Land Run Links to serve both serious players shopping for equipment and recreational golfers looking for something new before their next round.

The pro shop also complements the facility's membership programs. Select Land Run Links memberships currently include discounts on qualifying pro shop merchandise, adding another benefit for golfers who regularly play and practice at the Moore facility.

Expanding the Golf Experience in OKC

Located just south of Oklahoma City, Land Run Links has developed a year round destination where Oklahoma golfers can practice and play without being limited by extreme temperatures, rain, wind, or changing course conditions.

The new pro shop represents another step in that growth. Instead of functioning solely as an indoor golf OKC destination, Land Run Links is bringing more of the golf experience under one roof with simulator play, instruction, performance technology, memberships, and retail.

Customers can visit the Moore location to experience the pro shop in person or browse available merchandise from anywhere through the online store.

About Land Run Links

Land Run Links is an indoor golf facility and golf destination located in Moore, Oklahoma, serving golfers throughout the Oklahoma City metro. The facility combines advanced golf simulator technology, realistic course play, practice opportunities, golf instruction, and membership options to give golfers a place to enjoy and improve their game throughout the year.

With the addition of its on site and online pro shop, Land Run Links now provides access to an expanding collection of golf clubs, apparel, gloves, hats, accessories, and more.

For more information or to book a tee time, visit www.landrunlinks.com.
