

Evolution Moving Company Opens Harwood Road Office to Serve Bedford, Hurst, Euless, and North Richland Hills Homeowners

Evolution Moving Company's Bedford office at 313 Harwood Road puts full time crews, published rates, and locked quotes inside the HEB area.

BEDFORD, TX, UNITED STATES,
September 14, 2026 /

EINPresswire.com/ -- Evolution Moving Company has opened a dedicated Mid-Cities office at 313 Harwood Road,

Suite 217 in Bedford, Texas, placing full time crews, coordinators, and equipment inside the HEB area rather than dispatching them across DFW from a distant terminal. The Harwood Road location serves Bedford, Hurst, Euless, North Richland Hills, Colleyville, Grapevine, Southlake, and Arlington, covering the 76021, 76022, 76053, 76054, 76180, 76034, and surrounding Tarrant County zip codes.

Evolution Moving Company

The decision reflects how differently the Mid-Cities behave from the rest of the metroplex. I-820 and Highway 183 traffic shifts by the hour, Glade Parks and Stonegate Shopping Center pickups require tight loading windows, and Texas summer heat makes a 7:00 a.m. crew start a scheduling requirement rather than a preference. Homeowners searching for [movers in Bedford TX](#) have historically been routed to crews unfamiliar with which Bedford Road blocks accommodate a 26 foot truck, which Brookwood Hills HOAs require advance notice, and which Harwood Road buildings need a freight elevator reservation.

"You only get a 96 percent referral rate by treating someone's grandmother's piano like it is your grandmother's piano," the company states in its operating standard, a figure it attributes to repeat customers and referrals rather than paid acquisition.

The Bedford office operates on the same model Evolution Moving Company runs statewide. Every crew member is a W-2 employee, not a day laborer, and completes a two week in house training program covering the company's truck packing system before a first paid move. Federal and state background checks and pre employment and random drug screening are documented and held on file with the company's HR partner. The company is not a broker and does not resell

booked jobs to third party contractors.

Pricing is published rather than quoted by phone. Local Bedford moves start at \$129 per hour for a studio with two movers and scale by home size, with every job written as a not to exceed total before move day. Truck, blankets, shrink wrap, dollies, tape, travel time, and basic insurance are included. The company does not charge truck fees, stair fees, or long carry fees. Optional items such as full value protection, specialty crating, packing supplies, and storage are itemized on the written quote in advance. Interest free financing is available through Wisetack, subject to approval.

Services available from the Harwood Road office include local moving across the HEB area and wider Mid-Cities, long distance moving anywhere in the lower 48 with the same crew loading and unloading, residential and commercial relocations, packing services, labor only jobs for customers who already have a truck or container, piano moving with rigging trained crews and climate controlled transport, and storage solutions.

For customers in HOA governed communities, the office issues Certificates of Insurance for Brookwood Hills, Bedford Estates, Stonegate, and other HEB area associations within 30 minutes of request. Commercial clients receive a floor plan walkthrough, a color coded box system, and certificates of insurance delivered to the building manager before move day, with night and weekend scheduling available to keep businesses operating through a relocation.

As a [moving company Bedford TX](#) residents can verify, Evolution Moving Company is licensed under USDOT 2467590, TX DMV 006779351c, and MC-1239409-C, and carries liability, worker compensation, and cargo insurance. The company reports a one percent damage claim rate across its move volume, tracked and reviewed to inform crew training. Its Bedford Google Business Profile holds a 5.0 rating across 190 verified reviews, and the company has completed more than 3,100 customer surveys across 13 years operating in Texas.

Homeowners and businesses can review service details, coverage zip codes, published rates, and neighborhood specific information for [local movers in Bedford TX](#) on the company website.
