They started b-bopping and freestyling since 13 years old and grew a passion for writing lyrics down on paper and then a few years later B.O took off and cds started to get sold on the streets of BOSTON. JBLACK took time away from the music industry around 2011. KEATON MYRON stage name was also MYOUNGN. JBLACK stage name was JRAPS.

KEATON MYRON & CBOSTON started a new group I.G.H in 2011. CBOSTON and KEATON MYRON grew up out the sandbox so the connection between the two was ironic. Had friends burn the cds and put covers on them to speed up the process because they were confident, and also selling cds paid all of the bills. In 2015 KEATON MYRON and CBOSTON hung up there CROWNS from the industry. In 2026 KEATON MYRON made a return back in the music industry and has his newest single ‘CRUISE CONTROL’ and album LIVING IN FULL EVENTS (LIFE) out on all platforms. Spotify, Apple etc
