IGS Capital Group Completes $15 Million Acquisition of DSAT Global Ventures

IGS Capital Group acquires DSAT Global Ventures, adding 20+ years of tech innovation and international operations to its platform

AURORA, IL, UNITED STATES, September 15, 2026 /EINPresswire.com/ -- Acquisition brings more than two decades of technology development, proprietary software platforms and international operations into IGS Capital Group

AURORA, Ill., IGS Capital Group Ltd. (OTC: IGSC) ("IGSC" or the "Company") today announced the completion of its acquisition of DSAT Global Ventures ("DSAT Global"), effective September 1, 2026, marking a significant step in the Company's strategy to build a diversified global technology and digital solutions platform.

About the Acquisition
Under the Share Sale Agreement effective September 1, 2026, IGSC agreed to acquire DSAT Global in a transaction valued at $15 million, based on 300 million shares valued at $0.05 per share.

The acquisition combines IGSC's U.S. public-market platform with DSAT Global's established technology operations, proprietary intellectual property, international customer relationships and more than two decades of technology development experience. The combined organization intends to strengthen corporate governance, financial reporting, access to growth capital and international expansion while accelerating the commercialization of DSAT Global's technology portfolio.

"This acquisition represents an important milestone in the evolution of IGS Capital Group," said Pallava raja "Pallav" Kannaiyan, President and CEO of IGS Capital Group. "DSAT brings an established technology engine, proprietary intellectual property and international operating experience to IGSC. Our priority is to provide the governance, financial discipline and capital-market infrastructure required to support responsible growth and build long-term shareholder value."

About DSAT Global
DSAT Global is a Dubai-headquartered technology group with more than 20 years of experience developing and deploying enterprise technology solutions. Its portfolio includes more than 16

proprietary technology platforms spanning transportation management, supply-chain optimization, fleet and warehouse management, artificial intelligence and machine learning, IoT and AIoT, commerce, sustainability and connected operational systems.

“For more than two decades, we have built DSAT by solving real-world business and operational challenges,” said Nirmal Kumar Jayaraj, CEO of DSAT Global. “Joining IGS Capital Group provides us with a platform to take that foundation to the next level. We intend to scale our technology internationally, strengthen our local presence in key markets and develop connected technology ecosystems that create sustainable value for customers, partners and shareholders.”
DSAT currently has operating interests and activities across the UAE, India, Thailand and Malaysia, with expansion initiatives in the United States, Saudi Arabia and Latin America.

About IGS Capital Group
IGS Capital Group Ltd. is a Nevada-incorporated U.S. public company trading under the symbol OTC: IGSC. Through the DSAT Global acquisition, IGSC intends to develop a global technology platform focused on scalable enterprise technologies, emerging digital ecosystems and strategic international growth. The acquisition establishes DSAT Global as a core operating technology platform for the Company.
