Coastal Employment Earns 2026 Best of South Carolina Award

RIDGELAND, SC, UNITED STATES, September 18, 2026 /EINPresswire.com/ -- Coastal Employment has been named a 2026 Best of South Carolina Award winner, recognizing more than two decades of helping businesses across the Lowcountry build stronger teams while connecting job seekers with meaningful career opportunities. Since opening in 2002, the relationship-based staffing firm has become a trusted resource for employers seeking dependable talent and individuals looking for temporary, temp-to-hire, and direct-hire positions across light industrial, skilled labor, hospitality, and administrative professional fields.

The award reflects an approach that has remained consistent even as the workforce has evolved. Coastal Employment emphasizes transparency, communication, and personalized service, taking the time to understand the goals of both employers and candidates before making a match. Rather than focusing solely on filling open positions, the team works to create lasting partnerships that support long-term business growth and career success. Guided by values of community, collaboration, compassion, and purpose, Coastal Employment has earned the confidence of businesses throughout the region by delivering staffing solutions tailored to each client's unique needs.

"We've always believed that great hiring starts with great relationships," said General Manager Kevin Kowal. "This recognition is meaningful because it reflects the trust our clients, candidates, and community have placed in us over the years. We're grateful for every opportunity to help businesses grow and help people find careers where they can succeed."

Receiving the 2026 Best of South Carolina Award marks another milestone for Coastal Employment as it continues to evolve alongside the businesses and job seekers it serves. Looking ahead, the company remains committed to building lasting partnerships, supporting local employers, and connecting talented people with opportunities where they can make a meaningful impact, strengthening the Lowcountry workforce one successful placement at a time.
