Sophros Recovery Named to U.S. Chamber of Commerce's 2026 CO—100 List

Outpatient treatment center recognized for customer satisfaction and engagement

Nick Padlo founded Sophros Recovery in 2021.

JACKSONVILLE, FL, UNITED STATES, September 16, 2026 / EINPresswire.com/ -- Sophros Recovery, a veteran-owned company providing outpatient addiction treatment and mental health services across Jacksonville and Tampa Bay, is included on the U.S. Chamber of Commerce's 2026 CO—100 list. The annual list honors the top 100 small and mid-sized businesses in America, recognizing companies that are growing the economy and strengthening their local communities.

Sophros Recovery received the program's Customer Champions honor, awarded to businesses that prioritize customer satisfaction and expand their customer base through innovative engagement strategies.

“This recognition validates something we set out to build from day one: care that actually puts the client first” Padlo said. “Every program of ours is aligned with helping clients heal and regaining their lives."

Padlo opened Sophros Recovery in 2021 after going through his own addiction and mental health challenges. He long sought a treatment program that filled the gap between residential care and everyday life — a gap he built his company to help close. Sophros treats adults facing substance use and co-occurring mental health concerns, offering individual, group and family therapy alongside treatment for alcohol and drug addiction.

During the past three years, Sophros Recovery has grown 277%, expanding from a single center to three locations. That growth has been fueled by rising demand for higher-quality intensive

outpatient care. In 2025, the company acquired Breakthroughs Counseling, and recently opened Soteria Recovery Homes in the Tampa Bay area, a first-of-its-kind sober living community pairing clinical support with the stability of private living.

The CO—100 is the U.S. Chamber of Commerce's annual awards program recognizing the top 100 small and mid-sized businesses in America. Honorees are chosen by a panel of judges from thousands of applicants based on growth, innovation and community impact. See the full list here: https://www.uschamber.com/co/co-100#the-2026-full-list

Sophros Recovery is a Jacksonville-based outpatient treatment program helping residents recover from substance use disorders and co-occurring mental health challenges. The center offers a wide range of evidence-based treatments and therapies tailored to each client's needs. Sophros believes success in recovery involves healing the mind, body and spirit.
