

Sticky Prints Graphics Named 2026 Best of Florida Honorable Mention Award Winner

JUPITER, FL, UNITED STATES, September 19, 2026 /EINPresswire.com/ -- Sticky Prints Graphics, a custom print shop based in Jupiter, has been named a winner of the 2026 Best of Florida Honorable Mention Award. The recognition celebrates a local business that produces stickers, decals, signage, and custom apparel entirely in-house, printed and finished on-site rather than outsourced to an overseas supplier.

What sets Sticky Prints Graphics apart is the range and durability built into every product. Stickers are available in die-cut, kiss-cut, circle, square, and clear formats, made from weatherproof, UV-resistant vinyl designed to withstand Florida's sun and humidity. Custom apparel is produced using direct-to-film printing, with Pantone color matching available to help brands maintain consistent colors across their finished products. Vinyl decals and business signage round out the offering, built for storefronts, windows, and vehicles that need graphics able to hold up outdoors.

Beyond product quality, Sticky Prints Graphics has built its reputation on responsiveness, promising a reply to every inquiry within one business day and shipping most orders within three. While the business remains deeply rooted in Jupiter and its neighboring communities of Tequesta and Palm Beach Gardens, it also ships custom apparel, stickers, and gear to businesses and creators across the country, all while maintaining the same hands-on production standards customers rely on locally.

"Being recognized with a Best of Florida Honorable Mention Award means a lot to our whole team," said Josh Rhyne, owner of Sticky Prints Graphics. "We built this business on the idea that local businesses deserve better than generic, mass-produced graphics, and this recognition tells us that message is resonating with our customers, whether they're ordering a handful of stickers or outfitting an entire staff."

Looking ahead, Sticky Prints Graphics plans to continue expanding its product lineup, from custom apparel and signage to laser-engraved merchandise, while keeping production local to Jupiter, Florida. As the business carries its 2026 Best of Florida Honorable Mention Award forward, it remains committed to the message behind everything it prints: "Your brand deserves better."
