

Ampcus Appoints Bonnie Baker as Global Vice President, Strategy and Execution

CHANTILLY, VA, UNITED STATES, September 15, 2026 /EINPresswire.com/ -- Ampcus today announced the appointment of Bonnie Baker as Global Vice President, Strategy and Execution. In this role, Baker will lead strategy and execution across Ampcus's most strategic client relationships, supporting the company's continued growth and the expansion of delivery capabilities across the Ampcus Group.

Baker brings more than 20 years of experience in program leadership, business transformation, and operational execution. Throughout her career, she has held senior leadership roles with organizations operating across the Americas, Europe, Africa, and the Middle East.

Most recently, Baker served as Chief Strategy and Operations Officer at SmarterD, a company acquired by Ampcus. In that position, she helped guide strategic planning, operational performance, and business transformation initiatives, bringing a global and client-focused perspective to complex organizational challenges.

"Bonnie's appointment reflects our commitment to pairing ambitious growth with disciplined execution," said Salil Sankaran, president of Ampcus Group. "Her depth of international leadership experience, strategic mindset, and proven ability to lead transformation will be invaluable as we strengthen our most important client partnerships and continue to scale the Ampcus Group."

“

Bonnie's appointment reflects our commitment to pairing ambitious growth with disciplined execution and bringing innovative solutions to our customers."

Salil Sankaran

As Global Vice President, Strategy and Execution, Baker will work closely with client, delivery, and leadership teams to align strategic priorities, advance execution excellence, and

enhance Ampcus's ability to deliver consistent, high-quality outcomes for its clients worldwide.

"I am excited to join Ampcus at such an important point in its growth journey," said Baker. "Ampcus has a strong foundation, exceptional talent, and a clear opportunity to deepen its impact for clients. I look forward to working with teams across the organization to translate strategy into measurable execution and sustained value."

Baker's appointment reinforces Ampcus's focus on building scalable global capabilities, strengthening strategic client relationships, and delivering innovative solutions that help organizations meet evolving workforce, technology, and business-transformation needs.

About Ampcus

Ampcus is a global business and technology solutions company that helps organizations solve complex business challenges through technology,, talent and strategic delivery services. With a focus on client partnership, operational excellence, and innovation, Ampcus supports organizations across industries and government in achieving sustainable growth and business outcomes.
