SYDNEY, NSW, AUSTRALIA, September 16, 2026 /EINPresswire.com/ -- The Rec Club Miranda is expanding its position as an all-in-one destination for kids birthday parties, family entertainment and indoor sports in Sydney's Sutherland Shire.

Located in Miranda, The Rec Club brings together Inflatable World, kids birthday parties, school holiday activities and a wide range of junior and adult indoor sports, including indoor soccer, netball, cricket and basketball.

For families searching for a kids party venue in Sydney or the Sutherland Shire, The Rec Club offers an active alternative to traditional birthday parties, with celebrations built around Inflatable World Miranda.

Featuring giant inflatable slides, obstacle courses, climbing areas and bounce zones, Inflatable World gives children the freedom to play and explore indoors regardless of the weather.

Birthday parties include two hours of Inflatable World access and a dedicated party area for food, cake and celebrations. Families can bring their own party food or select catering options, while additional party services are available for those wanting extra assistance on the day.

Private venue hire is also available for families and groups looking to create a larger celebration.

"We want The Rec Club to be somewhere local families can keep coming back to as their kids

> We want The Rec Club to be the place local families think of for kids parties, school holidays and sport — somewhere kids can get active, have fun and keep coming back."
>

grow," said Luke Trimble, Director of The Rec Club.

"They might first discover us through a birthday party or Inflatable World, then come back for a school holiday activity, learn a new sport or join one of our junior competitions. It's about creating a fun, active venue with lots of different ways for kids and families to get involved."

Beyond birthday parties, The Rec Club is one of the Sutherland Shire's established indoor sports venues, offering competitions and programs throughout the year.

Indoor soccer provides junior and adult players with a fast-paced, weatherproof competition environment. Indoor netball caters for social players and teams across different formats, while indoor cricket offers an action-packed version of the traditional game where players remain involved in batting, bowling and fielding.

The Miranda venue also hosts basketball, volleyball, junior sports programs, skills training, social competitions and court hire.

Operating sport indoors means competitions, training sessions and activities can continue without the weather disruptions that often affect outdoor sport in Sydney.

During the NSW school holidays, The Rec Club also operates Rec Kids Club, giving primary school-aged children another way to stay active during the break.

Holiday programs combine sport and active play with changing themed activities and special events, while Inflatable World Miranda also operates during selected school holiday periods.

The combination of kids parties, school holiday entertainment and organised sport has helped The Rec Club develop into much more than a traditional indoor sports centre.

Families from Miranda, Caringbah, Cronulla, Gymea, Sylvania and throughout the Sutherland Shire can access multiple activities from the one location.

With children increasingly spending time on screens, The Rec Club's focus remains simple: provide more opportunities for kids to get moving, play with friends and enjoy being active.

For parents looking for kids birthday party ideas in Sydney, a kids party venue in Miranda or the Sutherland Shire, or families interested in indoor soccer, indoor netball, indoor cricket and junior sport, further information is available through The Rec Club website.
