Miami Vibes Entertainment Adds AI Photo Booth Rentals in Raleigh, NC

Family-owned Raleigh DJ company now offers AI mirror and 360 photo booth rentals for weddings, quinceañeras, and corporate events across the Triangle.

Miami Vibes Entertainment

RALEIGH, NC, UNITED STATES, September 16, 2026 / EINPresswire.com/ -- Miami Vibes Entertainment, a family-owned DJ and event entertainment company, today announced the expansion of its services to include AI photo booth rentals for weddings, quinceañeras, corporate events, and private parties across Raleigh and the Triangle.

The new offering gives clients two options: an AI mirror booth, a full-length interactive mirror that captures still photos with animated prompts and produces instant prints alongside digital copies, and a 360 booth, a rotating platform that captures slow-motion video from every angle. Both are designed to give guests an active, shareable experience rather than a passive one.

"A photo booth turns your event into an experience your guests actually participate in, not just attend," said Jason Torres, lead DJ and co-owner of Miami Vibes Entertainment. "We wanted to bring that same level of energy we build on the dance floor to the photo booth experience."

Miami Vibes Entertainment is owned and operated by Jason and Noelle Torres, who have provided DJ services across the Triangle for more than 10 years and completed more than 500 events. Every AI photo booth rental includes a professional attendant on site for the full duration, unlimited sessions, instant digital sharing, a custom overlay, and a prop table.

The company's AI mirror booth starts at $800 for two hours and $1,500 for four hours, while the 360 booth starts at $500 for two hours. Clients who bundle a photo booth with a DJ package receive discounted bundle pricing and work with a single vendor and a single contract for their entire event.

Photo booth attendant service is available in both English and Spanish, a feature the company says is especially valued by multicultural families and at quinceañera celebrations. Miami Vibes

Entertainment serves Wake, Durham, Orange, Johnston, and Chatham Counties, including Raleigh, Cary, Apex, Durham, Chapel Hill, and more than a dozen surrounding cities, with no travel fees for most local bookings.

The AI photo booth service joins the company's existing lineup of wedding, quinceañera, corporate event, private party, and anniversary DJ services, along with 360 photo booth and event photography offerings. Backup equipment is kept on site at every event, and the company typically responds to new inquiries within one business day.

Clients interested in booking an AI photo booth for an upcoming event can request a quote at https://miamivibesdj.com/ai-photo-booth-raleigh-nc/ or by calling (984) 217-3708.
