Charles Vermont Broadens Its Designer Womenswear Range for the New Season

SHAW, GREATER MANCHESTER, UNITED KINGDOM, September 16, 2026 /EINPresswire.com/ -- Charles Vermont, an independent ladies' fashion retailer based in Greater Manchester, has brought its new-season designer womenswear online, adding fresh collections from European and international labels to a range that already spans more than twenty brands.

The retailer, an official UK stockist of names including Joseph Ribkoff, Dolcezza and Frank Lyman, has widened its offer with new-season prints, blouses, dresses and separates aimed at shoppers looking for occasion and everyday styles under one roof. New arrivals join year-round essentials, giving customers a single destination for designer womenswear from across Europe and beyond.

Among the labels in the spotlight is Spanish brand Tinta, founded in Madrid and known for garments largely made in Spain, with an emphasis on sustainable production, considered detail and feminine shapes. Its Tinta Clothing Store range brings seasonal prints across tops, blouses, dresses and trousers designed to suit a variety of occasions.

The retailer's Frank Lyman Clothing UK selection sits alongside it, offering dresses, jackets, tops and jumpsuits in the bold colours, prints and eye-catching detailing the designer is known for, with pieces suited to daywear, eveningwear and special occasions including wedding guest dressing.
