

Gershow Recycling Supports Responsible Auto Salvage in Suffolk County

Gershow Recycling provides scrap metal recycling and auto salvage services for individuals and businesses throughout Suffolk County, NY.

BAY SHORE, NY, UNITED STATES,
September 16, 2026 /EINPresswire.com/

-- [Gershow Recycling](#), a scrap metal dealer serving Long Island, provides recycling solutions for individuals and businesses looking to responsibly handle scrap materials and end-of-life vehicles. Located at 33 McAdam St #2200, Bay Shore, NY 11706, United States, the company offers an established resource for customers seeking an [auto salvage company in Suffolk County](#). Its services help customers manage unwanted vehicles and recyclable metals while supporting the recovery and reuse of valuable materials.

As an experienced scrap metal dealer, Gershow Recycling handles various types of ferrous and non-ferrous metals and accepts vehicles for recycling. Automotive salvage plays an important role in recovering reusable metals from cars that are damaged, unwanted, or no longer practical to keep. By processing recyclable automotive materials, the company helps divert valuable resources from the waste stream and supports a more responsible approach to material recovery. Customers in Suffolk County can turn to Gershow Recycling when they need a convenient option for recycling vehicles and other eligible scrap metal materials.

Gershow Recycling focuses on making the recycling process accessible for customers throughout the region. Whether someone has an unwanted automobile or recyclable metal from another source, the company provides an established facility where eligible materials can be handled appropriately. Those searching for an auto salvage company in Suffolk County can contact the company directly to learn more about vehicle acceptance, recycling procedures, material requirements, and other available scrap metal services.

For more information about scrap metal recycling and auto salvage services, please contact their office at the information below.
