

Kinex Media Joins the OpenAI Partner Network as a Select Partner

Kinex Media joins the OpenAI Partner Network as a Select Partner to help organizations build, deploy, and scale AI-powered solutions.

ONTARIO, CANADA, September 16, 2026 /EINPresswire.com/ -- Kinex Media, a leading digital agency driving online business growth for our clients, today announced that it has been named an OpenAI Select Partner within the OpenAI Partner Network.

The OpenAI Partner Network is a global program for partners to build, sell, and deliver AI solutions with OpenAI. It brings together partners with deep industry expertise, delivery capabilities, and customer relationships while equipping them with resources, enablement, and support to help enterprises adopt OpenAI frontier models and products and turn them into measurable impact.

As an OpenAI Select Partner, Kinex Media will continue working with OpenAI to help organizations build, deploy, and scale AI solutions responsibly and effectively.

"Kinex Media being named as an OpenAI Select Partner is a huge honor for our AI-focused digital agency, and we plan to incorporate OpenAI's ChatGPT into each one of our internal workflows to provide immense online growth for our clients' brands," said Karan Sharma, Co-Founder, Kinex Media.

Kinex Media supports organizations across Canada and the US with [web design](#), [digital marketing](#), and [AI search optimization solutions](#). Its work includes Staples and Amerijet, delivering measurable gains in traffic and conversion.

Looking ahead, Kinex Media plans to expand its ChatGPT-assisted web development processes and digital marketing campaigns and offer AI-leveraged solutions by using OpenAI's offerings, helping customers translate AI ambition into business outcomes.
