

EMS Expands Northeast Footprint with New Facility in Waterbury, Connecticut

New location strengthens service, inventory access, and delivery capabilities in the Northeast.

LAKE WORTH, FL, UNITED STATES,
September 16, 2026 /

EINPresswire.com/ -- EMS is proud to announce the opening of its newest facility in Waterbury, Connecticut, expanding its national footprint to better serve customers throughout the Northeast region.

This new location reinforces EMS's commitment to being the Preferred and Most Trusted Resource for High-Quality Aluminum Product Solutions. By positioning inventory and services closer to customers, EMS will provide improved delivery times, enhanced service, and greater access to its extensive product offering.

The Waterbury facility will support a wide range of markets, including construction, signage, awning and shade, marine, dock and deck, and more. Customers will benefit from EMS's deep inventory, custom extrusion capabilities, and value-added services, all backed by a reliable delivery network.

"Our goal is simple - make it easier for our customers to do business with EMS," said Jim Reeser, Regional Sales Manager. "This expansion allows us to better support our partners in the Northeast with the speed, consistency, and expertise they expect from us."

With 23 locations nationwide, over 2 million square feet of warehouse and manufacturing space, and a 99% on-time delivery rate, EMS continues to invest in infrastructure that supports long-term customer success.
