"Today's businesses don't need another payment processor," said [Allen Kopelman](#), co-founder and CEO of Nationwide Payment Systems. "They need an experienced advisor who can help them navigate an increasingly complicated payments ecosystem."

“

We want clients to spend their time growing their businesses instead of worrying about whether they're working with the right banking partners or staying ahead of changing regulations,”

Allen Kopelman

Tailored advisory services

Kopelman further noted that the consultancy, backed by 25 years of industry experience, provides a diversity of advisory services, including the following:

- SaaS and Embedded Payments
- Processor & Bank Selection
- Merchant Account Due Diligence

- MATCH List & Shutdown Assistance
- Regulated Industry Compliance
- Card Brand Registration

- Pharmacy and Telemedicine Programs
- LegitScript Application Assistance
- Hard-to-Place Merchants

Strategic guidance

Kopelman observed that the payments industry has changed dramatically over the past two decades, requiring businesses to work with advisors who understand compliance, banking relationships and long-term growth.

"We want clients to spend their time growing their businesses instead of worrying about whether they're working with the right banking partners or staying ahead of changing regulations," he added.

About Nationwide Payment Systems

Founded in 2001, Nationwide Payment Systems provides payment processing, integrated payment technologies and strategic [consulting](#) to businesses throughout the United States. The company specializes in helping merchants across a wide range of industries implement secure, scalable payment solutions.

The company expanded its consultancy in 2026 to provide strategic advisory services to help business owners grow while remaining secure, compliant and profitable.
