

New View Roofing Named Best Overall Dallas Roofing Company by Yahoo Local

DALLAS, TX, UNITED STATES,

September 17, 2026 /

EINPresswire.com/ -- New View Roofing has been named the Best Dallas Roofing Company Overall by Yahoo Local following an independent evaluation of nearly 60 roofing companies serving the Dallas-Fort Worth area.

Yahoo Local evaluated 58 roofers using eight ranking criteria and analyzed 16,623 customer reviews and ratings from five sources. The publication considered factors such as customer reviews, licensing and insurance, Better Business Bureau accreditation and available services before narrowing the field to six companies.

“

Our goal has always been to make the roofing process as hassle-free as possible while delivering quality work and taking care of our customers throughout the process.”

Michael Gibson, owner of New View Roofing

Yahoo then contacted each finalist directly for additional information about pricing, warranties, down payments and other factors homeowners may consider when hiring a roofing contractor. Yahoo states that companies cannot pay for inclusion or placement in its rankings.

New View Roofing earned the top overall position. Yahoo cited the company's lifetime workmanship warranty, no-down-payment policy, range of exterior home services, experience with different roofing systems and customer

reputation. New View was the only roofing company among Yahoo's six Dallas finalists offering a lifetime workmanship warranty.

“Being recognized by Yahoo Local means a lot because their team looked closely at the things homeowners actually consider when choosing a roofing company,” said Michael Gibson, owner of New View Roofing. “Our goal has always been to make the roofing process as hassle-free as possible while delivering quality work and taking care of our customers throughout the process. This recognition reflects the work our entire team puts into that every day.”

New View Roofing maintains a 4.9-star Google rating from nearly 700 reviews and has been a BBB Accredited Business since 2014, with an A+ rating. The company's lifetime workmanship warranty applies to its roofing installations and is transferable if a homeowner sells the property. New View Roofing also offers free roof inspections, which can often be scheduled within 24 hours of a request.
