Tequeño World Earns Verified Excellence Award in Manassas, Virginia

The Consumer Ratings Institute recognizes the family-owned Venezuelan restaurant for bringing authentic flavor and storytelling to every dish.

MANASSAS, VA, UNITED STATES, September 17, 2026 /EINPresswire.com/ -- Tequeño World has earned the Verified Excellence Award for Manassas from the Consumer Ratings Institute, recognizing the family-owned restaurant's commitment to Venezuelan cuisine and personal customer connection.

Since opening in 2021, Tequeño World has built its menu around 100% Venezuelan flavor, with tequeños — cheese-filled fried pastries — as its signature offering, alongside build-your-own arepas, empanadas, and the restaurant's signature garlic sauce. The restaurant's philosophy, "There's a Story Behind Every Bite," reflects its focus on sharing Venezuelan culture and tradition through food, with a menu built to offer, as the restaurant puts it, "food for every mood." Tequeño World operates from its Hoadly Road location in Manassas and is preparing to open a second location in nearby Manassas Park.

As a family-owned small business, Tequeño World has built its reputation one customer at a time, emphasizing customizable options that let diners make each dish their own. That approach has earned the restaurant a 4.5-star rating across 148 reviews from the Manassas community.

"Every recipe we serve comes from our own family's table, so when someone orders a tequeño or builds their own arepa, they're getting a real piece of Venezuela," said a Tequeño World representative. "This recognition from the Consumer Ratings Institute means our community can taste that authenticity."

The Verified Excellence Award adds to Tequeño World's growing reputation in Manassas, reflecting the restaurant's commitment to flavorful Venezuelan cuisine and warm, personal service as it prepares to expand to a second location.
