Skin Center of Florida Wins People's Choice Award in North Palm Beach

The Consumer Ratings Institute recognizes the 37-year dermatology practice for comprehensive, patient-centered skin care in North Palm Beach.

NORTH PALM BEACH, FL, UNITED STATES, September 17, 2026 /EINPresswire.com/ -- NORTH PALM BEACH, FL, September 17, 2026 — Skin Center of Florida has been named a People's Choice winner for North Palm Beach by the Consumer Ratings Institute, recognizing the practice's nearly four decades of comprehensive, personalized dermatological care.

Established in 1989, Skin Center of Florida has spent 37 years building its reputation under the philosophy "Revitalize. Rejuvenate. Refresh." Led by Dr. Akhil Gupta, D.O., M.S., F.A.A.D., and Dr. Lewis H. Kaminester, M.D., F.A.A.D., F.A.C.P., the practice offers general and complex dermatology, MOHS surgery, and radiation therapy alongside cosmetic services including Botox, fillers, and injectables. The practice expanded in 2026 to add Dr. Neena Gupta, specializing in family and obesity medicine, and physician assistant Melissa Masotto, broadening its offerings to include medical weight management and IV vitamin therapy. Skin Center of Florida serves patients from its North Palm Beach location as well as a second office in Margate.

The practice's approach centers on treating the whole patient, addressing skin health alongside broader wellness needs rather than focusing narrowly on cosmetic concerns. That patient-first philosophy, backed by decades of clinical experience, has helped Skin Center of Florida earn a 5.0-star rating across 241 reviews.

"Every patient who comes through our door deserves to feel confident in their skin, no matter their age or where they are in life," said Dr. Akhil Gupta of Skin Center of Florida. "This recognition from the Consumer Ratings Institute reflects nearly 40 years of trust built with the North Palm Beach community."

The People's Choice recognition adds to Skin Center of Florida's long-standing reputation in North Palm Beach, underscoring the practice's blend of medical expertise and comprehensive, whole-patient care.
