HOUSTON, TX, UNITED STATES, September 18, 2026 / EINPresswire.com/ -- EGYPT CRISS RECLAIMS HER VOICE WITH POWERFUL NEW ALBUM "WARFARE"
Featuring Three Lead Singles Produced and Dynamic Collaborations with Sammattick, "Warfare" is Available Now on All DSPs.

Recording artist and television personality Egypt Criss officially unleashes her fiercely anticipated new album, "Warfare," available today across all major digital streaming platforms. Released on Puddin Records, launched in 2022 by Egypt Criss and Sammattick (Samuel Wright), the project was created out of an undeniable drive to take total control of her narrative, serving as an uncompromising, empowering rally cry for women everywhere to keep standing tall—regardless of whether the opposition comes from family, friends, or foes.

> I wanted to show women that no matter who or what tries to pull you down, you can keep fighting,"

> *Egypt Criss*

The album's rollout features a high-octane visual trilogy, boasting three lead singles with accompanying music videos produced by Dana Rice Productions:
* "Fighter"
* "You Wanna Fight"
* "Point Break"

Each music video highlights Egypt's raw energy and central message: no matter the obstacles, giving up is never an option, and perseverance is non-

negotiable.

Stepping boldly into her own unique sound, Egypt's fiery presence reaches new artistic heights alongside dynamic collaborator Sammattick (Samuel Wright). Serving as the ultimate complement to her command of the mic, the chemistry between these two creatives delivers pure magic across the tracklist.

"I wanted to show women that no matter who or what tries to pull you down, you can keep fighting," says Egypt Criss. "You have to own your voice, persevere through the noise, and refuse to let anyone else write your story."

"Warfare" is available to stream and download now on Spotify, Apple Music, Tidal, Amazon Music, and all DSPs worldwide.
