

Newly Launched DestinationWeddings.ca is a Dedicated Boutique Romance Travel Service for Canadian Couples

New national brand from an award-winning travel agency helps couples plan Caribbean and Mexico destination weddings, backed by 20+ years of experience.

ST. JOHN'S, NL, CANADA, September 21, 2026 /EINPresswire.com/ -- Travel Time Agency has launched DestinationWeddings.ca, a new national brand dedicated to planning destination weddings, honeymoons, and romance travel for couples across Canada. The division formalizes more than 20 years of destination wedding work by the St. John's, NL-based agency into a standalone platform, with consultations, pricing, and payment plans for the Canadian market.

Your Dream Wedding, Expertly Planned

“

Couples usually come to me after reading a lot of resort reviews that contradict each other, and they just want someone who's actually been there to tell them the truth.”

Lois Barbour

DestinationWeddings.ca is a local Canadian boutique agency, and they deal heavily with Canadian suppliers such as Air Canada Vacations, WestJet Vacations, and Sunwing Vacations.

Travel Time Agency has spent two decades booking cruises, all-inclusive vacations, and family trips for clients in Canada, but destination weddings have made up a large share of that work from the start. DestinationWeddings.ca separates that specialty into its own brand so couples anywhere in Canada, not just Atlantic Canada, can work

directly with a dedicated wedding specialist rather than a general travel agent.

"Couples usually come to me after reading a lot of resort reviews that contradict each other, and they just want someone who's actually been there to tell them the truth," said [Lois Barbour](#), CTC, DWS, the specialist leading DestinationWeddings.ca. "I've visited the resorts I recommend, so I can tell a couple honestly whether a place will work for their guest list and their budget before they put down a deposit."

The new brand focuses on resort weddings in Mexico, Jamaica, the Dominican Republic, Punta Cana, Saint Lucia, Turks and Caicos, and several other Caribbean destinations, with particular depth in Sandals and Beaches properties. A free 30-minute consultation starts the process, followed by custom package comparisons with no hidden fees. DestinationWeddings.ca also coordinates guest bookings, travel documents, and on-site logistics so couples aren't fielding those questions from guests themselves. After an initial consultation, couples walk away with the confidence of knowing that expert guidance is always just an email or phone call away.

Barbour was named National Winner of Baxter Media's 2026 Travel Agent & Beyond Award earlier this year, a peer-reviewed honour in the Canadian travel industry. She holds the Association of Canadian Travel Agencies' Certified Travel Consultant designation, is certified as a Destination Wedding Specialist through the Wedding Planners Institute of Canada, and is a charter member and global trainer with the Destination Wedding & Honeymoon Specialists Association. DestinationWeddings.ca is registered with the Travel Industry Council of Ontario under TICO #5003057, which extends Ontario's statutory travel consumer protections to clients booking through the brand regardless of where in Canada they live.
