EINPresswire.com/ -- The third iteration of Quantum + AI (Q+AI 3.0) takes place in New York City October 25-27. 85+ speakers from industry, government and academia are presenting over three days. www.iqtevent.ai

PQC EVENT INCLUDED

Q+AI includes the first significant PQC seminar taking place on October 26. Both the Q+AI and PQC presentations take place at 36 Battery Place in New York City.

EXHIBITION

Both events have attracted exhibiting and sponsoring organizations from around the world. SealSQ is the overall "titanium" sponsor and "platinum" sponsors to date include C12 and QCI. An additional feature is coverage of the financial landscape of the quantum/AI space with leading analysis from Cantor Fitzgerald, Ground State Ventures, and more.

SIGNIFICANT NETWORKING

Q+AI offers numerous networking opportunities for attendees including a dinner harbor cruise the evening of October 25.
