MIAMI, FL, UNITED STATES, September 21, 2026 /EINPresswire.com/ -- Miami Prestige Interiors, a family-owned marine upholstery and interiors manufacturer with more than 50 years of experience, will bring its latest marine solutions and expanding OEM capabilities to IBEX 2026, October 6–8 at the Tampa Convention Center.

At Booth 1-810, the company will showcase custom helm seats, marine upholstery, precision quilting, accessories and shade systems, including a new line of marine shades entered in the 2026 IBEX Innovation Awards.

The Innovation Awards recognize new products and ideas advancing the marine industry, giving Miami Prestige Interiors an opportunity to showcase its newest shade solutions to boat builders, designers, engineers and marine professionals from across the industry.

“For us, innovation has never meant simply making something new. It means finding a smarter way to solve a real problem on the water. That’s what we wanted to achieve with our new shade line — combining protection, performance and design in a solution made for the way boats are actually used.”

— Debora Mendoza, Chief Operating Officer, Miami Prestige Interiors

A GROWING FOCUS ON OEM PARTNERSHIPS

With decades of experience working with boat builders, Miami Prestige Interiors combines custom engineering and series production with technology-driven manufacturing, reliable delivery and hands-on customer support.

At IBEX, the company will also introduce a new opportunity for qualified OEM customers: full upholstery on their first order at no cost, up to $5,000. The initiative gives new OEM partners an opportunity to experience Miami Prestige Interiors' craftsmanship, manufacturing capabilities and service firsthand.

The company's growth continues beyond the show floor. Miami Prestige Interiors has opened a new state-of-the-art facility in Opa-locka, Florida, supporting continued investment in manufacturing, expanded capabilities and future growth.

Visitors to Booth 1-810 can also enter to win one of five personalized Cupholders, a custom marine accessory from Miami Prestige Interiors.
