Palms Elite Medical Spa Earns Aesthetic Excellence Award in Pompano Beach

Pompano Beach medical spa recognized by Consumer Ratings Institute for public review performance in aesthetic care.

POMPANO BEACH, FL, UNITED STATES, September 21, 2026 /EINPresswire.com/ -- Palms Elite Medical Spa has been named a recipient of the Aesthetic Excellence Award by the Consumer Ratings Institute, recognizing the spa's public review performance serving clients in Pompano Beach and the surrounding South Florida community.

Palms Elite Medical Spa is a medical spa focused on ethical, results-driven aesthetic care. The practice emphasizes consultations first—learning each client's skin goals and educating them on what it takes to reach those goals—rather than high-pressure upselling. As a Face Reality Certified Acne Expert location, the team prioritizes informed, customized plans for concerns ranging from acne and aging to eczema and texture.

The spa's menu centers on curated treatments for individual skin types, including customized facials for deep cleansing, hydration, and rejuvenation; microneedling with PDRN to support collagen induction and regeneration; XERF dual-frequency radiofrequency for structural skin tightening; and chemical peels from light enzyme options to professional-grade peels for texture and pigmentation. Clients can book in-person or virtual consultations, including Acne Bootcamp coaching that pairs lifestyle and nutrition guidance with at-home and in-clinic care. The spa is located at 4701 N Federal Hwy, Suite 316, in Pompano Beach.

According to aggregated public review data reflected in the award intake, Palms Elite Medical Spa holds a 5.0-star rating across overall reviews. The Consumer Ratings Institute evaluates businesses using publicly accessible consumer review data and issues recognitions across multiple categories based on that performance.
