Karns & Karns: An award-winning law firm with 2,500 Five-Star Reviews and a deep community commitment, fighting for victims of corporate negligence

PHOENIX, AZ, UNITED STATES, September 25, 2026 / EINPresswire.com/ -- Karns & Karns Personal Injury and Accident Attorneys, a premier family-owned trial law firm with over $500 Million recovered nationally, has officially launched an expanded regional litigation initiative across the Valley of the Sun. Operating from dual physical office hubs in Downtown Phoenix and Scottsdale, the firm is deploying significant courtroom capital to represent victims of catastrophic 18-wheeler collisions, complex highway wrecks, rideshare sexual abuse, and wrongful death throughout Maricopa County and statewide.

Confronting Maricopa County’s Commercial Freight and Commuter Corridors

As one of the fastest-growing logistics regions in the United States, greater Phoenix is crossed by heavily congested freight arteries, including Interstate 10, Interstate 17, Loop 101, and Loop 202. The continuous stream of commercial freight haulers connecting West Coast shipping ports with Southwestern supply chains has led to an alarming rise in severe multi-vehicle collisions, heavy commercial tractor-trailer wrecks, and devastating pedestrian impacts.

The firm emphasizes that the local legal environment is heavily saturated with highway billboard advertisers and high-volume referral networks.

"Every major highway across Phoenix and Scottsdale is covered with billboard lawyers promising fast cash settlements," said Bill Karns, founding partner. "What the billboards hide is that many of these operations are settlement mills. They take on thousands of files and look for rapid, discounted settlements with commercial insurance companies because they lack the litigation funding or courtroom appetite to pick a jury. Karns & Karns is a Trial-First firm. Insurance companies track which lawyers actually step into court. When corporate defense lawyers see our firm on the pleadings, they know we are fully prepared to go to trial, which is the single most effective leverage point to recover maximum value."

Karns & Karns founding partners, Mike Karns and Bill Karns, celebrate their sixth consecutive year (2021-2026) of being recognized by The Best Lawyers in America®.
