

73 Projects Named National Winners in MEED Projects Awards 2026

Regional programme names outstanding project delivery achievements across the Middle East and North Africa ahead of the MENA finals

DUBAI, UNITED ARAB EMIRATES, September 22, 2026 / EINPresswire.com/ -- MEED has [announced the national winners](#) of the MEED Projects Awards 2026 in association with Mashreq, recognising standout achievements in project delivery across nine countries in the Middle East and North Africa.

The [national winners](#) span 17 categories, from Building and Development through to Transport and Water Treatment, and represent projects entered by contractors, consultants, developers and project owners from Bahrain, Egypt, Iraq, Kuwait, Libya, Oman, Qatar, Saudi Arabia and the United Arab Emirates.

These winners will now progress to the MENA finals, where a single regional winner will be selected in each category. The MENA regional winners will be announced at a gala event on 10 November at the Joharah Ballroom, Madinat Jumeirah, Dubai.

"This year's National Winners show a projects market that has moved beyond ambition into execution. Across the region, we are seeing owners and delivery partners tackle greater complexity with more discipline, whether that is integrated delivery models, faster adoption of digital tools, or a sharper focus on sustainability outcomes. These 73 projects are a snapshot of a market maturing in real time," said Ed James, Head of Content and Research at MEED.

Arun Mathur, Executive Vice President and Global Head of Contracting Finance at Mashreq, said the National Winners showcase the scale, ambition and excellence driving project delivery across the region, and that the company is proud to recognise their achievements as headline sponsor of the MEED Projects Awards.

He added that Mashreq remains committed to supporting the infrastructure and construction sectors across MENA, enabling projects that create lasting value and contribute to sustainable growth. He congratulated all of this year's National Winners and wished the finalists every success ahead of the announcement of the MENA winners in November.
