Fail Safe Accounting LLC of Kissimmee, FL earns the Accountant of the Year – 2026 award from the Consumer Ratings Institute, backed by a 4.9-star client rating.

KISSIMMEE, FL, UNITED STATES, September 22, 2026 /EINPresswire.com/ -- Fail Safe Accounting LLC, a tax advisory and accounting firm serving Central Florida since 2012, has been named Accountant of the Year – 2026 Kissimmee by the Consumer Ratings Institute — an honor earned on the strength of a 4.9-star rating across 190 client reviews.

The award caps a milestone year for the firm. Earlier in 2026, Farah Cruz was named to NY Weekly Magazine's "Top 20 Inspirational Women to Look Out for in 2026," recognizing her work helping Florida business owners uncover tax-saving opportunities and make smarter financial decisions year-round.

"Our goal has always been to treat every client like a long-term partner, not just a return to file once a year," said Farah Cruz of Fail Safe Accounting. "To be recognized by our clients and by our industry in the same year tells us that approach is working — and that recognition belongs to our whole team."

For more than a decade, Fail Safe Accounting has helped individuals and business owners across Central Florida keep more of what they earn through proactive tax planning, accurate tax preparation, and dependable accounting support. Rather than a once-a-year filing service, the firm works as a year-round advisory partner — guiding clients through tax strategy, business formation, and the day-to-day financial decisions that shape a growing business. Its bilingual team serves clients in English and Spanish and offers no-cost initial consultations for new clients.

Fail Safe Accounting continues to offer free consultations for tax preparation, tax advisory, business formation, and accounting services at its Kissimmee office.
