AMD Trailer Rental Relocates to McKinney With 24-Hour Pickup

AMD Trailer Rental relocated to McKinney, TX with 24-hour pickup. Utility, dump, enclosed, and car-hauler trailers. No deposit.

MCKINNEY, TX, UNITED STATES, September 22, 2026 /EINPresswire.com/ -- MCKINNEY, Texas – Sept. 2, 2026. AMD Trailer Rental has relocated its primary rental yard from Allen to 5168 Baxter Well Rd, McKinney, TX 75071, and now offers pickup 24 hours a day. The company continues to serve Allen as a service area, along with McKinney, Plano, Frisco, and the wider North Dallas and DFW area.

The move places the fleet closer to customers who need utility trailers, dump trailers, enclosed cargo trailers, and car haulers, with 24-hour pickup for reserved trailers outside traditional business hours, no deposit required, and no hidden mileage fees.

"We moved from Allen to McKinney to make rental simpler for the people who actually use these trailers: builders, landscapers, and homeowners who need something ready when the job can't wait," said Amer Daka, owner of AMD Trailer Rental. "Allen remains part of our service area, and 24-hour pickup means you can collect your trailer on your schedule, not ours."

Built for real jobs, not just weekend errands

AMD's fleet is maintained for everyday and commercial hauling:

- Dump trailers for debris, landscaping, and site cleanup
- Utility trailers for equipment and general loads
- Enclosed trailers for weather-protected cargo
- Car haulers and tilt/work trailers for vehicles and heavier equipment

Local delivery is available within the DFW area. Customers can also request help matching the right trailer to the load by calling or texting before they arrive.
