

Guzman Automotive Opens Second Location in Hutto, Texas

Full-service auto repair and maintenance from ASE-certified technicians is now open in Hutto.

HUTTO, TX, UNITED STATES, September 22, 2026 /EINPresswire.com/ -- HUTTO, TX, September 22, 2026

[Guzman Automotive](#), an automotive repair and maintenance shop known for honest, ASE-certified service, has opened a second location at 629 West Front Street in Hutto, Texas, effective immediately. The new shop gives Hutto-area drivers direct access to the same full-service repair and maintenance Guzman Automotive has offered since opening its original Taylor, TX location in 2023.

The Hutto location offers the same core services as the original shop, including oil changes, state inspection, wheel alignment, engine repair, and auto electrical repair, performed by ASE-certified technicians using a Digital Vehicle Inspection with photos and video on every visit.

“

We kept hearing from Hutto customers who were already driving out to see us in Taylor, so we brought the shop to them instead.”

James Guzman, Founder & CEO of Guzman Automotive

“We kept hearing from Hutto customers who were already driving out to see us in Taylor,” said James Guzman, founder and CEO of Guzman Automotive. “Opening a second shop right here in Hutto means they get the same honest inspection and the same team, without the extra drive.”

Both the Taylor and Hutto locations operate under the same Guzman Automotive brand, with customers able to

book service at either shop and expect the same upfront pricing and technician-led inspections.

FAQ

Is the Hutto location taking new customers now?

Yes. The Hutto shop at 629 West Front Street is open and accepting new service appointments immediately. Customers can [book online](#) or by phone.

Does the Hutto location offer the same services as the Taylor shop?

Yes. Both locations offer the same core services, including oil changes, state inspection, wheel alignment, engine repair, and auto electrical repair, performed by the same ASE-certified standard of technician and the same Digital Vehicle Inspection process.
