BOZEMAN, MT, UNITED STATES, September 23, 2026 /EINPresswire.com/ -- [Off the Beaten Path](#), a leader in immersive and experience driven travel, has released its 2027 Journeys Catalog, featuring new small-group adventures in Türkiye, the Lake Superior region and Alaska, alongside its portfolio of custom and guided travel experiences around the world.

The catalog, themed *The Art of Going*, highlights itineraries designed to connect travelers with natural landscapes, local culture and expert-led exploration. New small-group offerings include [Timeless Türkiye](#), [Splendid Superior](#), and the [Alaska National Park Grand Slam](#).

"Travel is more than reaching a destination. It is about the perspective gained through the journey itself," said Cory Lawrence, CEO of Off the Beaten Path. "Our 2027 collection invites travelers to engage deeply with the landscapes, cultures and stories that make each place distinct."

Timeless Türkiye explores the country's history, culture and natural landscapes, from ancient Roman ruins in forested hills to Cappadocia's distinctive rock formations. The itinerary is led by local guides and includes regional food, cultural experiences and opportunities to explore Türkiye beyond its well-known cities.

Splendid Superior focuses on the wilderness and maritime history of the Great Lakes. Travelers cruise among the Apostle Islands, explore Michigan's Keweenaw Peninsula and take a ferry to Isle Royale National Park, where the itinerary includes three nights for guided exploration of the remote island landscape.
