Nicolette Martin Joins IMAG Advisory's Industry Advisory Team

Martin is a senior Regulatory Leader that will bring her significant experience to the IMAG Industry Advisory Team

Nicolette Martin

NEW YORK, NY, UNITED STATES, September 28, 2026 /EINPresswire.com/ -- IMAG Advisory today announced the appointment of Nicolette Martin to the company's independent Industry Advisory Team.

"Our Industry Advisory Team is an independent group of highly experienced business professionals from many areas and industries. The Team suggests and recommends general directions and offers industry-wide strategic industry knowledge in the context of AI related challenges and opportunities. In this time of considerable industry upheaval brought on by AI, the deep experience and comprehensive mix of experience of our Industry Advisory Team members ensures that IMAG's solutions are designed to fulfill the changing needs of our clients." said Gary Peterson, President of IMAG Advisory.

"We are pleased that Nicolette has joined the Team where she will offer her substantial experience and insight. Nicolette, as a Senior Risk and Regulatory Leader, has many years of experience leading compliance transformation in highly regulated environments across major global and domestic financial services firms including HSBC and Citibank. She has held Executive Leadership roles developing compliance and risk frameworks, policy development, directing technology and innovation (including AI Governance and Cybersecurity), and developing global Privacy governance. She has played key roles in complex cross-border regulatory remediations. A licensed attorney, she also served as Compliance Officer for the New York Stock Exchange."

Since 1993, IMAG has assisted domestic and global clients in all industries to optimize their governance, risk, compliance, financial crimes, trade sanctions, and internal control programs. We offer a broad range of advisory services in the most sought-after areas. Our advisors are well known in their practice areas and have served in the roles in which they offer guidance. Additional information regarding the IMAG Advisory Team is found on the company's website.
